WICKS & BEANS
MAY 2002

Wicks & Beans

The original store was established in May of 2002. It was named Wicks & Beans, as the original merchandise consisted mostly of scented candles and coffee beans. We were located at 2207 Murray Ave, also in Squirrel Hill (down and across from Mineo's Pizza.)

Margaret's Fine Imports

Despite the small space, we expanded our assortments, eventually also selling teas and international sweets. Well, it was getting tight, so we were very happy to move to a much larger space at 5872 Forbes Ave in July of 2006 and change the name of the store to Margaret's Fine Imports.
